PRICES PAID OHIO TIMBER PRODUCERS - SEPTEMBER-NOVEMBER 1976

These quotations reflect prices paid to Ohio timber producers during September, October and November. Prices are reported for both the Doyle and International log rules to be comparable with previous reports. This report provides a general guide of timber and log prices.

Local prices will be affected by other important factors such as: accessibility, right of ways, terrain, distance to haul, tree size, quality and quantity. These quotations are survey data on prices only. The survey does not indicate volume of logs sold nor are the prices weighted.

STUMPAGE PRICES: Stumpage prices September through November were lower for most species compared with 6 months earlier. Face and veneer stumpage prices generally were above the March-May period and about equal to the level of a year earlier. Prices paid for stumpage used for handles, pallets and pulpwood were mostly above the previous survey period. Prices paid for cooperage (white oak) were lower.

DELIVERED SAWLOGS: Prices paid for logs delivered generally were up from the March-May survey period with prices for No. 3 and cull grades showing the largest increase.

PRICES PAID OHIO TIMBER PRODUCERS - MARCH-MAY 1977

These quotations reflect prices paid to Ohio timber producers during March, April and May. Prices are reported for both the Doyle and International log rules to be comparable with previous reports. This report provides a general guide of timber and log prices.

Local prices will be affected by other important factors such as: accessibility, right of ways, terrain, distance to haul, tree size, quality and quantity. These quotations are survey data on prices only. The survey does not indicate volume of logs sold nor are the prices weighted.

STUMPAGE PRICES: During the March-May pricing period, stumpage prices advanced for nearly all species from the previous pricing period. In addition, most face and veneer stumpage prices were above both last year and six months earlier. Prices for logs delivered to buyers for production of handles, pallets, blocking, and cooperage were slightly higher in most instances.

DELIVERED SAWLOGS: Prices paid for sawlogs delivered to mills during March-May were higher than both the previous period (Sept.-Nov. 1976) and a year earlier.

Stumpage - Average and range of prices paid for Ohio timber by area, species, and use, March-May 1977
