

2010 Fishing Forecast

Antrim Lake

Franklin County

42 Acres- No Boats Allowed

Rainbow Trout

OUTLOOK: EXCELLENT

Stockings of yearling catchable (10-12") trout are planned for April 9 and again in October. Good place to take beginning anglers immediately after stocking. Use spinners, twister tails, corn, cheese, prepared baits, etc. For the fall stocking date, check the Division of Wildlife web page for the fall trout stockings in the early fall.

Channel Catfish

OUTLOOK: GOOD

Good population of fish relatively easy to catch for beginning anglers. Try chicken liver, shrimp, or nightcrawlers fished on the bottom.
